Similarly, GMS-CF, LLC does not provide the Scenic Terrace South Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Scenic Terrace South Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes as amended. The District anticipates the issuance at this time of not to exceed \$18,655,000 of tax-exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements (“Capital Improvement Plan”) within the District more specifically described in the Engineer’s Report, dated October 13, 2021 prepared by Dewberry Engineers Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of all or a portion of the Capital Improvements or Capital Improvement Plan (“Capital Improvements”) that benefit property owners within the District.

1.1 Purpose

This Supplemental Assessment Methodology supplements the Master Assessment Methodology, dated October 13, 2021 (the “Assessment Report”), provides for an assessment methodology that allocates the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the Capital Improvements. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to levy, impose and collect non ad valorem special assessments (“Special Assessments”) on the benefited lands within the District securing repayment of the Bonds based on this Assessment Report. It is anticipated that all of the proposed Special Assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District including those for maintenance and operation of the Bonds, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 206.56 gross developable acres within Town of Lake Hamilton, Florida and Polk County. The development program for the District currently envisions approximately 744 residential units. The proposed development program is depicted in Table 1. It is recognized that such development plan may change, and this Assessment Report will be modified or supplemented accordingly.

The Capital Improvements contemplated by the District in the Capital Improvement Plan will provide facilities that benefit certain property within the District. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater management facilities, mass grading and master systems, utility facilities, roadways, entry features, and park and amenity features. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Capital Improvements.
2. The District Engineer determines the assessable acres that benefit from the District's Capital Improvements.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Capital Improvements.
4. This amount is initially divided equally among the benefited properties on a prorated assessable acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Capital Improvements undertaken by the District create special and peculiar benefits to the property, different in kind and degree, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within the District. The implementation of the Capital Improvement Plan enables properties within the boundaries of the District to be developed. Without the District's Capital Improvement Plan, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within District would be prohibited by law.

The general public and property owners outside of the District may benefit from the provision of the Capital Improvements. However, any such benefit will be incidental for the purpose of the Capital Improvement Plan, which is designed solely to meet the needs of property within the District. Properties outside of the District boundaries do not depend upon the District's Capital Improvements. The property owners within the District are therefore receiving special benefits not received by the general public and those outside of the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the Capital Improvements being paid for.

- 2) The assessments must be fairly and reasonably allocated or apportioned to the properties being assessed based on the special benefit such properties receive.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Will Equal or Exceed the Costs Allocated

The special benefits provided to the property within the District will be equal to or greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Capital Improvement Plan that is necessary to support full development of property within the District will cost approximately \$32,825,460. The District's Underwriter projects that financing costs required to fund the Capital Improvement Plan costs, the cost of issuance of the Bonds, the funding of a debt service reserve account and capitalized interest, will be approximately \$18,655,000. Without the Capital Improvement Plan, the property within the District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District anticipates issuing approximately \$18,655,000 in Bonds in one or more series to fund the District's entire Capital Improvement Plan, provide for capitalized interest, a debt service reserve account and pay cost of issuance. It is the purpose of this Assessment Report to allocate the \$18,655,000 in debt to the properties within the District benefiting from the Capital Improvement Plan. This report will be supplemented to reflect actual bond terms.

Table 1 identifies the land uses and lot sizes in the development as identified by the Developer within the District. The District has commissioned an Engineer's Report that includes estimated construction costs for the Capital Improvements needed to support the development; these construction costs are outlined in Table 2. The Capital Improvements needed to support the development are described in detail in the Engineer's Report and are estimated to cost \$32,825,460. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for the Capital Improvements and related costs was determined by the District's Underwriter to total approximately \$18,655,000. Table 3 shows the breakdown of the Bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan for the District are completed. Until the platting process occurs, the Capital Improvements funded by District Bonds benefits all acres within the District.

The initial assessments will be levied on an equal basis to all gross acreage within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the Capital Improvements.

Once platting or the recording of a declaration of condominium of any portion of the District into individual lots or units ("Assigned Properties") has begun, the Special Assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The "Unassigned Properties" defined as property that has not been platted or subjected to a declaration of condominium, will continue to be assessed on a per acre basis. Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the assigned properties within the District, which are the beneficiaries of the Capital Improvement Plan, as depicted in Table 5 and Table 6. If there are changes to development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The Capital Improvement Plan consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry features, and park and amenity features and professional fees along with related incidental costs. There are two product types within the planned development. The single-family 40' home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular product type. It is important to note that the benefit derived from the Capital Improvements on a particular unit will exceed the cost that the unit will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Capital Improvements will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, mass grading and

master systems, utility facilities, roadways, entry features, and park and amenity features. The benefit from the Capital Improvements accrue in differing amounts and are somewhat dependent on the product type receiving the special benefits peculiar to that property type, which flow from the logical relationship of the Capital Improvements to the assigned properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the Capital Improvements actually provided.

For the provision of the Capital Improvement Plan, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual Special Assessment levied for the Improvement as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Capital Improvement Plan is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type). This is also shown on Table 7 depicting Allocation of Par Debt per Product Type.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the Capital Improvement Plan have been apportioned to the property within the District according to reasonable estimates of the special and peculiar benefits provided consistent with the product type of assignable properties.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any Special Assessment more than the determined special benefit particular to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each

product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated assigned properties are built and sold as planned, and the entire proposed Capital Improvement Plan is constructed.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is approved, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein ("Assigned Property"). In addition, the District must also prevent any buildup of debt on property or land that could be fully conveyed and/or platted without all of the debt being allocated ("Unassigned Property"). To preclude this, when platting for 25%, 50%, 75% and 100% of the units planned for platting has occurred within the District, the District will determine the amount of anticipated Bond Special Assessment revenue that remains on the Unassigned Properties, taking into account the full development plan of the District. If the total anticipated Bond Special Assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

If a true-up payment is made less than 45 days prior to an interest payment date, the amount of accrued interest will be calculated to the next succeeding interest payment date.

4.0 Assessment Roll

The District will initially distribute the Special Assessments across the property within the District boundaries on a gross acreage basis. As Assigned Properties become known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan or product type changes, then the District will update Table 6 to reflect the changes as part of the foregoing true-up process. As a result, the assessment liens are not finalized with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The preliminary assessment roll is attached as Table 7.

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Scenic Terrace South Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2022 Bonds. There are hereby authorized and directed to be issued: the Scenic Terrace South Community Development District Special Assessment Bonds, Series 2022 (the "Series 2022 Bonds") in an aggregate principal amount not to exceed \$21,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2022 Project, (ii) making a deposit to the Series 2022 Reserve Account in an amount equal to the Series 2022 Reserve Requirement, (iii) funding a portion of the interest coming due on the Series 2022 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2022 Bonds. The Series 2022 Bonds shall be issued under and secured by the Indenture, the form of which by reference is hereby incorporated into this resolution as if set forth in full herein.

Section 2. Details of the Series 2022 Bonds. The District hereby determines that the Series 2022 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chairperson of the Board of Supervisors of the District (the "Chairperson") or any member of the Board of Supervisors designated by the Chairperson (a "Designated Member"), prior to the sale of said Series 2022 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chairperson or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the

Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2022 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2022 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2022 Bonds, including the pledge of Special Assessments as security for the Series 2022 Bonds, it is desirable to sell the Series 2022 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2022 Bonds, it is in the best interests of the District to sell the Series 2022 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2022 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2022 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2022 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2022 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chairperson or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chairperson or the Designated Member; provided, however,

(i) If the Series 2022 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2022 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2022 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond

Index" published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2022 Bonds shall not exceed \$21,000,000;

(iv) The Series 2022 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, with a principal amortization period of no longer than thirty (30) years; and

(v) The price at which the Series 2022 Bonds shall be sold to the Underwriter shall not be less than 98% of the aggregate face amount of the Series 2022 Bonds, exclusive of original issue discount.

Execution by the Chairperson or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2022 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2022 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chairperson or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2022 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2022 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chairperson or Designated Member as necessary to conform the details of the Series 2022 Bonds and such other insertions, modifications and changes as may be approved by the Chairperson or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chairperson or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2022 Bonds. The Chairperson is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chairperson or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such

execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2022 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2022 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2022 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2022 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chairperson or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chairperson or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Ratification of Prior Acts. All actions previously taken by or on behalf of the District in connection with the issuance of the Series 2022 Bonds are hereby authorized, ratified and confirmed.

Section 13. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 14. Effective Date. This Resolution shall take effect immediately upon its adoption.

SECTION 2.07. Book-Entry Form of Series 2022 Bonds. The Series 2022 Bonds shall be issued as one fully registered bond for each maturity of Series 2022 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants.

As long as the Series 2022 Bonds are held in book-entry-only form, Cede & Co. shall be considered the Registered Owner for all purposes hereof and in the Master Indenture. The Series 2022 Bonds shall not be required to be presented for payment. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2022 Bonds ("Beneficial Owners").

Principal and interest on the Series 2022 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2022 Bonds, through DTC Participants and Indirect Participants.

During the period for which Cede & Co. is Registered Owner of the Series 2022 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices

to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2022 Bonds in the form of fully registered Series 2022 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2022 Bonds may be exchanged for an equal aggregate principal amount of Series 2022 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

SECTION 2.08. Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the "Bond Register") for the registration, transfer and exchange of the Series 2022 Bonds, and hereby appoints U.S. Bank Trust Company, National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank Trust Company, National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints U.S. Bank Trust Company, National Association as Paying Agent for the Series 2022 Bonds. U.S. Bank Trust Company, National Association hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2022 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2022 Bonds, all the Series 2022 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

- (a) Certified copies of the Assessment Resolutions;
- (b) A copy of the executed Master Indenture and an executed copy of this First Supplemental Trust Indenture;
- (c) Customary closing opinions of District Counsel and Bond Counsel;

(f) Executed copies of the Arbitrage Certificate, the True-Up Agreement, the Acquisition Agreement, Declaration of Consent, the Completion Agreement, the Continuing Disclosure Agreement and the Collateral Assignment.

ARTICLE III REDEMPTION OF SERIES 2022 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2022 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2022 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2022 Bonds or portions of the Series 2022 Bonds to be redeemed by lot. Partial redemptions of Series 2022 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2022 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2022 Bond.

The Series 2022 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates specified below. Upon any redemption of Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2022 Bonds maturing after May 1, 20__ may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of Series 2022 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee hereunder (other than the Series 2022 Rebate Fund and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2022 Project and transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2022 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SERIES 2022 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2022 Acquisition and Construction Account". Net proceeds of the Series 2022 Bonds shall initially be deposited into the Series 2022 Acquisition and Construction Account in the amounts set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2022 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2022 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2022 Project, subject to Section 4.01(f) herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2022 Reserve Account in excess of the Series 2022 Reserve Requirement, as applicable and as calculated by the District shall then be transferred to the Series 2022 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a).

The Trustee shall make no such transfers from the Series 2022 Acquisition and Construction Account to the Series 2022 General Redemption Subaccount if an Event of Default exists with respect to the Series 2022 Bonds of which the Trustee has notice as described in Section 11.06 of the Master Indenture or of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in Section 5.05, Section 3.01(b)(iii) hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2022 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2022 Acquisition and Construction Account, such Accounts shall be closed.

Notwithstanding the foregoing, the Series 2022 Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2022 Reserve Account shall have been transferred to the Series 2022 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) and Section 4.01(f) hereof. The Trustee shall not be responsible for determining the amount in the Series 2022 Acquisition and Construction Account allocable to the respective components of the Series 2022 Project or any transfers made to such Accounts in accordance with direction from the District Manager.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2022 Costs of Issuance Account." Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon

presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Costs of Issuance Account to pay the costs of issuing the Series 2022 Bonds. Six months after the issuance of the Series 2022 Bonds, any moneys remaining in the Series 2022 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2022 Interest Account and the Series 2022 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2022 Bonds shall be paid from excess Series 2022 Pledged Revenues on deposit in the Series 2022 Revenue Account as provided in Section 4.02. After no funds remain therein, the Series 2022 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2022 Revenue Account." Series 2022 Special Assessments (except for Prepayments of Series 2022 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2022 Special Assessments are to be deposited into the Series 2022 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2022 Interest Account." Moneys deposited into the Series 2022 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2022 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2022 Sinking Fund Account." Moneys shall be deposited into the Series 2022 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Reserve Fund designated as the "Series 2022 Reserve Account." Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided in the Master Indenture Section 4.01(a) and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2022 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all

investment earnings on moneys in the Series 2022 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and transfer any excess therein above the Series 2022 Reserve Requirement to the Series 2022 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the Series 2022 Assessment Area, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will exceed the Series 2022 Reserve Requirement for the Series 2022 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2022 Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2022 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2022 General Redemption Subaccount or the Series 2022 Prepayment Subaccount, as the case may be, is not sufficient to redeem a principal amount of the Series 2022 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2022 Revenue Account to round up the amount in the Series 2022 Prepayment Subaccount or Series 2022 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2022 Revenue Account shall be made to pay interest on and/or principal of the Series 2022 Bonds for the redemption pursuant to Sections 3.01(b)(i) or 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2022 Bond Redemption Account" and within such Account, a "Series 2022 General Redemption Subaccount," a "Series 2022 Optional Redemption Subaccount," and a "Series 2022 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture

regarding Prepayments or in connection with the optional redemption of the Series 2022 Bonds, moneys to be deposited into the Series 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2022 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2022 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2022 Bonds, or (ii) in whole or in part, pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2022 Prepayment Subaccount (including all earnings on investments held in such Series 2022 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2022 Bonds equal to the amount of money transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2022 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2022 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2022 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2022 Revenue Account to deposit to the Series 2022 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2022 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2022 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2022 Rebate Account." Moneys shall be deposited into the Series 2022 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2022 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2022 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2022 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2022, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2022 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2022 Sinking Fund Account, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2022 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2022 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2022 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless needed to be transferred to the Series 2022 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2022 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereinabove to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2022 Bonds from Prepayments on deposit in the Series 2022 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2022 Revenue Account to the Series 2022 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2022 Bonds, as provided in Section 4.01(f) hereinabove.

SECTION 4.03. Power to Issue Series 2022 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2022 Bonds, to execute and deliver the Series 2022 Indenture and to pledge the Series 2022 Pledged Revenues for the benefit of the Series 2022 Bonds to the extent set forth herein. The Series 2022 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2022 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2022 Bonds and the provisions of the Series 2022 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Series 2022 Indenture and all the rights of the Holders of the Series 2022 Bonds under the Series 2022 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2022 Project to Conform to Engineer's Report.
Simultaneously with the issuance of the Series 2022 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2022 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2022 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2022 Special Assessments may, at its option, or as a result of acceleration of the Series 2022 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2022 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least 45 days after such Prepayment, if such Prepayment is made within 45 calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2022 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2022 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2022 Reserve Account will exceed the Series 2022 Reserve Requirement for the Series 2022 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2022 Bonds, the excess amount shall be transferred from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount, as a credit against the Series 2022 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2022 Reserve Account to equal or exceed the Series 2022 Reserve Requirement.

(b) Upon receipt of Series 2022 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2022 Special Assessment has been paid in whole or in part and that such Series 2022 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

The Series 2022 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interests to collect directly. Prior to an Event of Default, the election to collect and enforce Series 2022 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2022 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2022 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2022 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2022 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2022 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2022 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. In the

absence of such written certification, the Trustee is entitled to assume that the Series 2022 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Assessments levied on District Lands outside of the Series 2022 Assessment Area, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2022 Project.

FORM OF BOND PURCHASE CONTRACT

**SCENIC TERRACE SOUTH COMMUNITY DEVELOPMENT DISTRICT
(TOWN OF LAKE HAMILTON, FLORIDA)**

§ _____
**SPECIAL ASSESSMENT BONDS, SERIES 2022
(SERIES 2022 PROJECT)**

BOND PURCHASE CONTRACT

_____, 2022

Board of Supervisors
Scenic Terrace South Community Development District
Town of Lake Hamilton, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with Scenic Terrace South Community Development District (the "District"). The District is located within the Town of Lake Hamilton, Florida (the "Town"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [2:00 P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$_____ aggregate principal amount of Scenic Terrace South Community Development District Special Assessment Bonds, Series 2022 (Series 2022 Project) (the "Series 2022 Bonds"). The Series 2022 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2022 Bonds shall be \$_____ (representing the \$_____ aggregate principal amount of the Series 2022 Bonds, [plus/less net original issue premium/discount of \$_____ and] less underwriter's discount of \$_____). The payment for and delivery of the Series 2022 Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Series 2022 Bonds. The Series 2022 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), and by Ordinance No. O-21-19 duly enacted by the Town Council of the Town of Lake Hamilton, Florida (the "Town") located within Polk County, Florida (the "County") on September 7, 2021, which became effective on October 5, 2021 (the "Ordinance"). The Series 2022 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of _____ 1, 2022 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of _____ 1, 2022 (the

"First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution No. 2022-26 and Resolution No. 2022-__ adopted by the Board on October 13, 2021 and February 16, 2022, respectively (collectively, the "Bond Resolution"). The Series 2022 Special Assessments, the revenues from which constitute part of the Series 2022 Pledged Revenues, have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2022 Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2022 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2022 Bonds, that the entire principal amount of the Series 2022 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2022 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2022 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2022 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2022 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2022 Bonds of that maturity or until all Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2022 Bonds.

(c) The Underwriter confirms that it has offered the Series 2022 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2022 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2022 Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2022 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2022 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2022 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2022 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2022 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2022 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2022 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2022 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in

connection with the initial sale of the Series 2022 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2022 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with requirements for establishing issue price of the Series 2022 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2022 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022 Bonds.

(f) The Underwriter acknowledges that sales of any Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2022 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2022 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2022 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2022 Bonds to the public),

(iii) a purchaser of any of the Series 2022 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter the Preliminary Limited Offering Memorandum, dated _____, 2022 (the "Preliminary Limited Offering Memorandum"), of the District, relating to the Series 2022 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the limited offering of the Series 2022 Bonds. The Underwriter has reviewed the Preliminary Limited

Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as hereinafter defined) and in sufficient time to accompany any confirmation that requests payment from any customer such number of copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda") as the Underwriter shall reasonably request to comply with the requirements of the Rule and all applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Series 2022 Bonds.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Series 2022 Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, [Atlantic Blue Communities II, LLC], a Florida limited liability company (the "Landowner"), and Governmental Management Services - Central Florida, LLC, a Florida limited liability company, as dissemination agent (the "Dissemination Agent"), the Trustee and the District Manager in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX E thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District are referred to herein collectively as the "Financing Documents," and (b) [the Agreement Regarding the Completion of Certain Improvements by and between the District and the Landowner dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Real Property by and between the District and the Landowner dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignments and Assumptions of Development Rights Relating to the Series 2022 Project by and between the District and the Landowner, dated as of the Closing Date in recordable form (the "Collateral Assignments"), and the Agreements Regarding True-Up by and between the District and the Landowner, and between the District and Lennar Homes, each dated as of the Closing Date in recordable form (the "True-Up Agreements")] are collectively referred to herein as the "Ancillary Agreements."

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Series 2022 Bonds and the Bond Agreements; (b) to issue the Series 2022 Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Series 2022 Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Series 2022 Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Series 2022 Bonds have been fulfilled.

4. **Validation** – The Series 2022 Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution

and delivery of the Series 2022 Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Prepayment of Series 2022 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Landowner Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Series 2022 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – As the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Series 2022 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Series 2022 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Series 2022 Bonds or the validity or enforceability of the Series 2022 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Series 2022 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Series 2022 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Series 2022 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake Series 2022 Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2022 Project,

subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

Such assumptions do not apply to District documents. We have also assumed the legality and validity of the following Executive Orders of Governor DeSantis of the State of Florida: 2020-52 issued March 9, 2020 and 2020-69 issued March 20, 2020, as amended, extended and supplemented, respectively.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code. We express no opinion as to compliance with any state or federal tax laws.

5. We express no opinion and make no representations regarding financial information, statistical data, or assessment and benefit calculations.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Landowner is able to convey good and marketable title to any particular real property or interest therein and related to the Series 2022 Project.

7. Re: \$_____ Scenic Terrace South Community Development District Special Assessment
Bonds, Series 2022 (Series 2022 Project) (the "Series 2022 Bonds")

Ladies and Gentlemen:

I am counsel to [Atlantic Blue Communities II, LLC], a Florida limited liability company (the "Landowner"), which is the owner and master developer of certain land within the planned community located in Polk County, Florida and Town of Lake Hamilton, Florida being developed with three project areas to be known as "[_____]," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowner in connection with the issuance by the Scenic Terrace South Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated _____, 2022 and the District's final Limited Offering Memorandum, dated _____, 2022, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2022 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2022 Project, (ii) funding a deposit to the Series 2022 Reserve Account in the amount of the Series 2022 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2022 Bonds and (iv) paying the costs of issuance of the Series 2022 Bonds.

In my capacity as counsel to the Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Landowner, and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreements Regarding the Completion of Certain Improvements by and between the District and the Landowner dated as of the Closing Date (the "Completion Agreements"), the Agreements Regarding

the Acquisition of Real Property by and between the District and the Landowner dated as of the Closing Date (the "Acquisition Agreements"), the Collateral Assignments and Assumptions of Development Rights Relating to the Series 2022 Project by and between the District and the Landowner dated as of the Closing Date (the "Collateral Assignments"), the Agreements Regarding True-Up as to Assessment Area One by and between the District and the Landowner dated as of the Closing Date (the "True-Up Agreements"), and the Declarations of Consent to Jurisdiction of the District, Imposition of Special Assessments and Imposition of Lien of Record dated as of the Closing Date and executed by the Landowner (the "Declarations of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined its Operating Agreement dated as of [_____, 20__], its Articles of Organization filed on [_____, 20__], and a certificate of good standing issued by the State of Florida on _____, 2022 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Landowner is a limited liability company organized and existing under the laws of the State of Florida.
2. The Landowner has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowner, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE LANDOWNER," "LITIGATION – The Landowner," and "CONTINUING DISCLOSURE" (as it relates to the Landowner only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.
5. The execution, delivery and performance of the Documents by the Landowner do not violate (i) the operating agreements of the Landowner, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Landowner is a party or by which any of the Landowner's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or its assets.

6. Nothing has come to my attention that would lead me to believe that the Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Landowner has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Series 2022 Project and the lands in the District as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowner's ability to complete development of the Series 2022 Project and the lands in the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the lands in the District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Landowner.

7. To the best of my knowledge after due inquiry, the levy of the Series 2022 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Landowner is a party or to which the Landowner or any of its property or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2022 Project or the lands in the District in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of the Landowner.

9. To the best of my knowledge after due inquiry, the Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Landowner is in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2022 Bonds or the development of the Series 2022 Project or the lands in the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

STRAUGHN & TURNER, P.A.

SCENIC TERRACE SOUTH COMMUNITY DEVELOPMENT DISTRICT
(TOWN OF LAKE HAMILTON, FLORIDA)

\$18,655,000*
SPECIAL ASSESSMENT BONDS, SERIES 2022
(SERIES 2022 PROJECT)

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Scenic Terrace South Community Development District (the "District" or the "Issuer") of its \$18,655,000* aggregate principal amount of Special Assessment Bonds, Series 2022 (Series 2022 Project) (the "Series 2022 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2022 BONDS. THE SERIES 2022 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2022 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2022 BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. O-21-19 duly enacted by the Town Council of the Town of Lake Hamilton, Florida (the "Town") located within Polk County, Florida (the "County") on September 7, 2021, which became effective on October 5, 2021 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 206.56 gross acres of land (the "District Lands"), located within the Town of Lake Hamilton (the "Town") within Polk County, Florida (the "County"). The Development is located at Scenic Highway (State Road 17) and Hughes Road in Lake Alfred approximately

* Preliminary, subject to change.

one miles east of US Highway 27. For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

The District Lands are being developed as a residential community known as "[_____]" (collectively, the "Development"). At buildout, the Development is expected to consist of approximately 744 single-family residential homes, recreation and amenity areas, parks and associated infrastructure. See "THE DEVELOPMENT" herein for more information.

The Series 2022 Bonds are being issued to finance a portion of the Capital Improvement Plan, which consists of public infrastructure improvements associated with the 744 units planned for the Development. The Series 2022 Bonds will be secured by the Series 2022 Special Assessments which will initially be levied on the 206.56 acres which comprise the District. As lots are platted, the Series 2022 Special Assessments will be assigned to the 744 lots planned for the Development on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto.

The land in the District is owned by Atlantic Blue Communities II, LLC, a Florida limited liability company (the "Landowner"). The Landowner will install onsite parcel infrastructure improvements associated with the Development and will sell developed lots to third party homebuilders. See "THE LANDOWNER" herein for more information.

The Landowner has entered into builder contracts for the sale of [all 744] lots planned within the Development, as follows: (i) Richmond American (as defined herein) for the sale of 190 developed lots in a series of takedowns, (ii) Taylor Morrison (as defined herein) for the bulk sale of 142 developed lots (iii) Starlight Homes (as defined herein) for the bulk sale of 190 developed lots, (iv) Homes by West Bay (as defined herein) for the bulk sale of 202 developed lots and (v) [_____]. See "THE DEVELOPMENT – Builder Contracts" herein for more information.

The Series 2022 Bonds are being issued pursuant to the Act, Resolution No. 2022-26 and Resolution No. 2022-__ adopted by the Board of Supervisors (the "Board") of the District on October 13, 2021 and [_____, 2022] (collectively, the "Resolution"), and a Master Trust Indenture dated as of _____ 1, 2022 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as _____ 1, 2022 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2022 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2022 Project, (ii) funding a deposit to the Series 2022 Reserve Account in the amount of the Series 2022 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2022 Bonds and (iv) paying the costs of issuance of the Series 2022 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2022 Bonds are payable from and secured solely by the Series 2022 Pledged Revenues. The Series 2022 Pledged Revenues for the Series 2022 Bonds consist of (a) all revenues received by the District from the Series 2022 Special Assessments (as defined herein) levied and collected on the assessable lands within the Series 2022 Assessment Area, benefitted by the Series 2022 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2022 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2022 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the

Indenture, created and established with respect to or for the benefit of the Series 2022 Bonds; provided, however, that the Series 2022 Pledged Revenues shall not include (A) any moneys transferred to the Series 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2022 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS" herein.

Set forth herein are brief descriptions of the District, the Series 2022 Project, the Landowner, the Builders and the Development, together with summaries of terms of Series 2022 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2022 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2022 BONDS

General Description

The Series 2022 Bonds will be dated the date, will bear interest at the rates per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) and, subject to the redemption provisions set forth below, will mature on the dates and in the amounts set forth on the inside cover pages of this Limited Offering Memorandum. Interest on the Series 2022 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Interest on the Series 2022 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to [November 1, 2022], in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2022 Bonds.

The Series 2022 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Series 2022 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2022 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Series 2022 Bonds shall be issued as one fully registered bond for each maturity of Series 2022 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2022 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-

only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2022 Bonds ("Beneficial Owners"). Principal and interest on the Series 2022 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2022 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2022 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2022 Bonds may be exchanged for an equal aggregate principal amount of such Series 2022 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Series 2022 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2022 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of Series 2022 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount as a result of such Series 2022 Prepayment and pursuant the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee within the First Supplemental Indenture (other than the Series 2022 Rebate Fund and the Series 2022 Acquisition and Construction Accounts) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Series 2022 Project and transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account. If such redemption shall be in part, the District shall select such principal amount of Series 2022 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

Notice of Redemption

When required to redeem or purchase Series 2022 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2022 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2022 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2022 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2022 Bonds. The Series 2022 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an

authorized representative of DTC. One fully-registered Series 2022 Bond certificate will be issued for each maturity of the Series 2022 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2022 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2022 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2022 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2022 Bonds, except in the event that use of the book-entry system for the Series 2022 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2022 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2022 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2022 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2022 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2022 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022

Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2022 Bond documents. For example, Beneficial Owners of Series 2022 Bonds may wish to ascertain that the nominee holding the Series 2022 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2022 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2022 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2022 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2022 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2022 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2022 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2022 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2022 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2022 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2022 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2022 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2022 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS

General

THE SERIES 2022 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2022 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE TOWN, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2022 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2022 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2022 BONDS. THE SERIES 2022 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE TOWN, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2022 Bonds are payable from and secured solely by the Series 2022 Pledged Revenues. The Series 2022 Pledged Revenues for the Series 2022 Bonds consist of (a) all revenues received by the District from the Series 2022 Special Assessments (as defined herein) levied and collected on the assessable lands within the Series 2022 Assessment Area, benefitted by the Series 2022 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2022 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2022 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2022 Bonds; provided, however, that the Series 2022 Pledged Revenues shall not include (A) any moneys transferred to the Series 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2022 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso).

The "Series 2022 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefitted by the Series 2022 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2022 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2022 Special Assessments will constitute a lien against the land as to which the Series 2022 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2022 Special Assessments will be levied on the approximately 206.56 gross acres of land within the District planned for 744 residential units comprising Phases 1 and 2 of development (the "Series 2022 Assessment Area").

The Series 2022 Special Assessments are levied in an amount corresponding to the debt service on the Series 2022 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2022 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2022 Special Assessments to the assessable lands within the District is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2022 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2022 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2022 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2022 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2022 Special Assessment from any legally available moneys, which shall be deposited into the Series 2022 Revenue Account. In the case such second Series 2022 Special Assessment shall be annulled, the District shall obtain and make other Series 2022 Special Assessments until a valid Series 2022 Special Assessment shall be made.

Prepayment of Series 2022 Special Assessments

[The Assessment Proceedings provide that an owner of property subject to the Series 2022 Special Assessments may prepay the entire remaining balance of such Series 2022 Special Assessments at any time, or a portion of the remaining balance of such Series 2022 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2022 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2022 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2022 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2022 Special Assessments may pay the entire balance of the Series 2022 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2022 Project has been completed, and the Board has adopted a resolution accepting the Series 2022 Project pursuant to Chapter 170.09, Florida Statutes. The Landowner and Lennar Homes, as the sole owners of the assessable property within the District, will waive this right on behalf of themselves and their respective successors and assigns in connection with the issuance of the Series 2022 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.]

The Series 2022 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2022 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2022 Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2022 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2022 Special Assessments, until the Series 2022 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Series 2022 Special Assessments have been assigned to residential units within the Series 2022 Assessment Area that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2022 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2022 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2022 Special Assessments have not

been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other debt obligations secured by Assessments levied on District Lands outside of the Series 2022 Assessment Area, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2022 Project.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2022 Special Assessments without the consent of the Owners of the Series 2022 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2022 Special Assessments on the same lands upon which the Series 2022 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Accounts

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2022 Acquisition and Construction Account." Net proceeds of the Series 2022 Bonds shall initially be deposited into the Series 2022 Escrow Net proceeds of the Series 2022 Bonds shall initially be deposited into the Series 2022 Acquisition and Construction Account in the amounts set forth in the First Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2022 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (each as defined below) as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2022 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2022 Project, subject to the First Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2022 Reserve Account in excess of the Series 2022 Reserve Requirement, as applicable and as calculated by the District shall then be transferred to the Series 2022 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the First Supplemental Indenture.

The Trustee shall make no such transfers from the Series 2022 Acquisition and Construction Account to the Series 2022 General Redemption Subaccount if an Event of Default exists with respect to the Series 2022 Bonds of which the Trustee has notice as described in Section 11.06 of the Master Indenture or of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit thereto, shall the Trustee withdraw moneys from the Series 2022 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2022 Acquisition and Construction Account, such Accounts shall be closed.

Notwithstanding the foregoing, neither of the Series 2022 Acquisition and Construction Accounts shall be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2022 Reserve Account shall have been transferred to the Series 2022 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the First Supplemental Indenture. The Trustee shall not be responsible for determining the amount in the Series 2022 Acquisition and Construction Account allocable to the respective components of the Series 2022 Project or any transfers made to such Accounts in accordance with direction from the District Manager.

Reserve Account

The Indenture establishes an Series 2022 Reserve Account within the Reserve Fund solely for the benefit of the Series 2022 Bonds. Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount of the Series 2022 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2022 Reserve Requirement" or "Reserve Requirement" shall be (i) initially, an amount equal to the maximum annual debt service on the Series 2022 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2022 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2022 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2022 Reserve Account and transferred to the Series 2022 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture. For the purpose of calculating the Series 2022 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or ten percent (10%) of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2022 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2022 General Redemption Subaccount or the Series 2022 Prepayment Subaccount as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2022 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2022 Bonds be used to pay principal of and interest on the Series 2022 Bonds at that time. Initially, the Series 2022 Reserve Requirement shall be equal to \$_____.

"Reserve Release Conditions #1" shall mean collectively (i) all lots in the Series 2022 Assessment Area have been sold and closed to homebuilders, as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Series 2022 Indenture with respect to the Series 2022 Bonds, as certified by the District Manager.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all homes within the Series 2022 Assessment Area have been built, sold and closed with end-users, and (iii) all of the principal portion of the Series 2022 Special Assessments has been assigned to such homes, as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2022 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except

as provided in the next paragraph, all investment earnings on moneys in the Series 2022 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and transfer any excess therein above the Series 2022 Reserve Requirement caused by investment earnings to the Series 2022 Revenue Account in accordance with the Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the Series 2022 Assessment Area, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will exceed the Series 2022 Reserve Requirement for the Series 2022 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds, to the Series 2022 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2022 Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2022 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2022 General Redemption Subaccount or the Series 2022 Prepayment Subaccount, as the case may be, is not sufficient to redeem a principal amount of the Series 2022 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2022 Revenue Account to round up the amount in the Series 2022 Prepayment Subaccount or Series 2022 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2022 Revenue Account shall be made to pay interest on and/or principal of the Series 2022 Bonds for the redemption pursuant to the First Supplemental Indenture if as a result the deposits required under the First Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2022 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2022 Bonds and such amount has not been restored within ninety (90) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2022 Revenue Account." Series 2022 Special Assessments (except for Prepayments of Series 2022 Special Assessments which shall be identified as such by the District to the

Trustee and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2022, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2022 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20[], to the Series 2022 Sinking Fund Account, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2022 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2022 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2022 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless needed to be transferred to the Series 2022 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2022 Bond subject to extraordinary mandatory redemption pursuant to the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2022 Bonds from Prepayments on deposit in the Series 2022 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2022 Revenue Account to the Series 2022 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2022 Bonds, as provided in the First Supplemental Indenture.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2022 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department

of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2022 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the

right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2022 Bonds:

- (a) if payment of any installment of interest on any Series 2022 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2022 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2022 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2022 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2022 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to

have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account herein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2022 Bonds and such amount has not been restored within ninety (90) days of such withdrawal; or

(g) if, at any time after eighteen months following issuance of the Series 2022 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2022 Special Assessments are levied to secure the Series 2022 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2022 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2022 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2022 Bonds pursuant to the Indenture shall occur unless all of the Series 2022 Bonds will be redeemed or if 100% of the Holders of the Series 2022 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2022 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2022 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2022 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2022 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2022 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2022 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2022 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2022 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2022 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2022 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2022 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2022 Bonds is the collection of Series 2022 Special Assessments imposed on certain assessable lands in the District specially benefited by the Series 2022 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2022 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Polk County Tax Collector ("Tax Collector") or the Polk County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2022 Special Assessments during any year. Such delays in the collection of Series 2022 Special Assessments, or complete inability to collect the Series 2022 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2022 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2022 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2022 Bonds.

For the Series 2022 Special Assessments to be valid, the Series 2022 Special Assessments must meet two requirements: (1) the benefit from the Series 2022 Project to the lands subject to the Series 2022 Special Assessments must exceed or equal the amount of the Series 2022 Special Assessments, and (2) the Series 2022 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Series 2022 Special Assessments.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2022 Special Assessments through a variety of methods. Initially, and for undeveloped properties owned by the Landowner or the Builders, the District will directly issue annual bills to landowners requiring payment of the Series 2022 Special Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed, the Series 2022 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2022 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2022 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a

foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2022 Special Assessments and the ability to foreclose the lien of such Series 2022 Special Assessments upon the failure to pay such Series 2022 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2022 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2022 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2022 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2022 Special Assessments will be collected together with the Town, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2022 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2022 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2022 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2022 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2022 Bonds.

Under the Uniform Method, if the Series 2022 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2022 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2022 Special

Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2022 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2022 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2022 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2022 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2022 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the Town that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2022 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2022 Special Assessments, which are the primary source of payment of the Series 2022 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2022 Bonds offered hereby and are set forth below. Prospective investors in the Series 2022 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2022 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2022 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2022 Bonds.

Concentration of Land Ownership

As of the date of delivery of the Series 2022 Bonds, the Landowner owns all of the assessable lands within the District, which are the lands that will be subject to the Series 2022 Special Assessments securing the Series 2022 Bonds. Payment of the Series 2022 Special Assessments is primarily dependent upon their timely payment by the Landowner and the other future landowners in the District. Non-payment of the Series 2022 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2022 Bonds. See "THE LANDOWNER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowner or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2022 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowner and any other landowner to pay the Series 2022 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2022 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2022 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2022 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2022 Bonds, including, without limitation, enforcement of the obligation to pay Series 2022 Special Assessments and the ability of the District to foreclose the lien of the Series 2022 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2022 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was

placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner." The District cannot express any view whether such delegation would be enforceable.

Series 2022 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2022 Bonds is the timely collection of the Series 2022 Special Assessments. The Series 2022 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowner or subsequent landowners will be able to pay the Series 2022 Special Assessments or that they will pay such Series 2022 Special Assessments even though financially able to do so. Neither the Landowner nor any other subsequent landowners have any personal obligation to pay the Series 2022 Special Assessments. Neither the Landowner nor any subsequent landowners are guarantors of payment of any Series 2022 Special Assessments, and the recourse for the failure of the Landowner or any subsequent landowner to pay the Series 2022 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2022 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2022 Special Assessments may ultimately depend on the market value of the land subject to the Series 2022 Special Assessments. While the ability of the Landowner or subsequent landowners to pay the Series 2022 Special Assessments is a relevant factor, the willingness of the Landowner or subsequent landowners to pay the Series 2022 Special Assessments, which may also be affected by the value of the land subject to the Series 2022 Special Assessments, is also an important factor in the collection of Series 2022 Special Assessments. The failure of the Landowner or subsequent landowners to pay the Series 2022 Special Assessments could render the District unable to collect delinquent Series 2022 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2022 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Zoning and Permitting," herein for more information.

The value of the land within the District, the success of the Development, the development of District and the likelihood of timely payment of principal and interest on the Series 2022 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2022 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous

environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the District.

The value of the lands subject to the Series 2022 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2022 Bonds. The Series 2022 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowner. Moreover, the Landowner has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2022 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2022 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2022 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2022 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2022 Special Assessment, even though the landowner is not contesting the amount of the Series 2022 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be

owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2022 Bonds

The Series 2022 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2022 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2022 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2022 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2022 Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2022 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2022 Bonds because of the Series 2022 Reserve Account. The ability of the Series 2022 Reserve Account to fund deficiencies caused by delinquencies in the Series 2022 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2022 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2022 Special Assessments, the Series 2022 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2022 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2022 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2022 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2022 Special Assessments in order to provide for the replenishment of the Series 2022 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Series 2022 Reserve Account" herein for more information about the Series 2022 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2022 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2022 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of proceeds from the Series 2022 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued

by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Landowner will

certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Landowner does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2022 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2022 Bonds are advised that, if the IRS does audit the Series 2022 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2022 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2022 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds would adversely affect the availability of any secondary market for the Series 2022 Bonds. Should interest on the Series 2022 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2022 Bonds be required to pay income taxes on the interest received on such Series 2022 Bonds and related penalties, but because the interest rate on such Series 2022 Bonds will not be adequate to compensate Owners of the Series 2022 Bonds for the income taxes due on such interest, the value of the Series 2022 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2022 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2022 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2022 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2022 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2022 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

Since the Series 2022 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for political subdivisions, if the District is ever deemed by the IRS, judicially or otherwise, not to be a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of Series 2022 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2022 Bonds would need to ensure that subsequent transfers of the Series 2022 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2022 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2022 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS."

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2022 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete the Series 2022 Project or the Construction of Homes within the District

The cost to finish the Series 2022 Project will exceed the net proceeds from the Series 2022 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2022 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2022 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Additional Bonds" for more information.

Although the Landowner will agree to fund or cause to be funded the completion of the Series 2022 Project regardless of the insufficiency of proceeds from the Series 2022 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Landowner will have sufficient resources to do so. Such obligation of the Landowner is an unsecured obligation. See "THE LANDOWNER" herein for more information.

Further, there is a possibility that, even if the District is developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction of homes in the District. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contracts" herein for more information about the Builders and the Builder Contracts.

COVID-19 and Related Matters

In addition to the general economic conditions discussed above, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to end users of residential units may be adversely impacted by the continued spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. The United States, the State, the Town, and the County have all previously imposed certain health and public safety restrictions in response to COVID-19 in the past. The District cannot predict whether new actions may be taken by government authorities in the future to contain or otherwise address the impact of the COVID-19 or similar outbreak.

To date, the outbreak has resulted in severe impacts on global financial markets, unemployment levels and commerce generally. The Landowner may experience delays in obtaining certain development approvals as a result of the implementation of certain government actions and/or restrictions. The District and the Landowner cannot predict the duration of the current COVID-19 outbreak, and the ultimate impact the COVID-19 outbreak may have on the Development is unknown. It is possible that delays in lot purchases by the Builders, construction delays, delays in the receipt of permits or other government approvals, supply chain delays, increased costs, delays in sales to end users or other delays could occur, or continue to occur, as applicable, as a result of the COVID-19 outbreak or other highly contagious or epidemic or pandemic diseases that adversely impact the Development. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and "–Insufficient Resources or Other Factors Causing Failure to Complete the Series 2022 Project or the Construction of Homes within the Assessment District herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2022 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2022 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2022 Special Assessments by the Landowner or subsequent owners of the property within the District. Any such redemptions of the Series 2022 Bonds would be at the principal amount of such Series 2022 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2022 Bonds may not realize their anticipated rate of return on the Series 2022 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2022 Bonds. See "DESCRIPTION OF THE SERIES 2022 BONDS – Redemption Provisions," "– Purchase of Series 2022

Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Prepayment of Series 2022 Special Assessments" herein for more information.

Payment of Series 2022 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2022 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. O-21-19, which was enacted by the Town on September 7, 2021, which became effective on October 5, 2021. The District encompasses approximately 206.56 gross acres of land located partly within an unincorporated portion of the County and partly within the incorporated municipal boundaries of the Town. The District is located at Scenic Highway (State Road 17) and Hughes Road in Lake Alfred approximately one miles east of US Highway 27. The District Lands are being developed as a planned residential community with three project areas known as "[_____]," (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Lauren Schwenk*	Chair	November 2025
Patrick Marone*	Vice-Chair	November 2025
Patricia Hudson*	Assistant Secretary	November 2023
Christine Aviles*	Assistant Secretary	November 2023
Justin Frye*	Assistant Secretary	November 2023

* Elected by the landowners; employee of or affiliated with the Landowner or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessments liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(1), 190.012(2)(a) of the Act, as well as Sections 190.012(b) – (f) of the Act if said improvements and each of their specifications are first approved by the County. Such special powers include, but are not limited to, the right to (i) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend,

equip, operate, and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural and educational uses; and (ii) construct and maintain a perimeter wall/fence for the District so long as the construction and specifications of the wall/fence are first approved by the County.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits; these functions are performed by the City and the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2022 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of KE Law Group, PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2022 Bonds.

No Outstanding Indebtedness

The District has not previously issued any bonds or other debt obligations.

The net proceeds of the Series 2022 Bonds will finance construction and/or acquisition of a portion of the Capital Improvement Plan in the approximate amount of \$16.5 million*. The Landowner will enter into a completion agreement at closing on the Series 2022 Bonds whereby it will agree to complete the Capital Improvement Plan to the extent bond proceeds are insufficient therefor. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Capital Improvement Plan or the Construction of Homes within the Development" herein.

Land development associated with the Development is expected to commence in _____ and is expected to be completed _____. As of the date hereof, approximately \$_____ has been spent by the Landowner toward soft costs associated with the development of the Development. See "THE DEVELOPMENT – Development Plan and Status" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Capital Improvement Plan as set forth in the Engineer's Report have been obtained or are expected to be obtained

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Assessment Methodology for Scenic Terrace South Community Development District, dated October 13, 2021, as supplemented by the Supplemental Assessment Methodology for Scenic Terrace South Community Development District, dated February 16, 2022 (collectively, the "Assessment Methodology"), which allocates the Series 2022 Special Assessments to the lands within the District, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2022 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2022 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2022 Bonds are payable from and secured by a pledge of the Series 2022 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2022 Special Assessments levied on the assessed lands within the Development. The Development consists of approximately 206.56 gross acres planned for 744 single-family homes. The District will initially impose the Series 2022 Special Assessments across all of the lands within the Development on an equal per acre basis. As parcels are platted within the Development, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Upon full platting of all of the lands within the Development, the estimated Series 2022 Special Assessments levied and allocated to platted units to pay debt service on the Series 2022 Bonds and the estimated par per unit for the Series 2022 Bonds are expected to be as follows:

Product Type	No. of Units	Annual Series 2022 Special Assessments Per Unit*	Series 2022 Bonds Par Debt Per Unit*
Single-Family 40'	264	\$1,450	\$25,074
Single-Family 50'	480	\$1,550	\$25,074
Total	744		

* Preliminary, subject to change. Annual assessment collected via the Uniform Method will include a gross up to account for County collection costs/payment discounts, which may fluctuate.

The District expects to levy assessments to cover its operation and administrative costs which are expected to be approximately \$[] per single-family unit annually, but such amounts are subject to change. The District Lands have been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. These taxes would be payable in addition to the Series 2022 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNER" has been furnished by the Landowner for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Landowner make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Landowner as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Landowner is not guaranteeing payment of the Series 2022 Bonds or the Series 2022 Special Assessments.

THE DEVELOPMENT

General Overview

The District encompasses approximately 206.56 gross acres located in the Town of Lake Hamilton (the "Town") within Polk County, Florida (the "County") and is planned to contain the master planned community which will be marketed under the name ["_____"] (the "Development"). At buildout, the Development is planned to contain 744 single-family homes and recreation and amenity areas.

The Development is located at Scenic Highway (State Road 17) and Hughes Road in Lake Alfred approximately one mile east of US Highway 27. The Development is centrally located between Tampa and Orlando. Due to its proximity to both cities, the Development serves as a "bedroom community" to those markets, offering price points substantially below that of similarly sized homes in those markets. Walt Disney World Resort and LEGOLAND Florida are located within 30 miles from the Development.

The Development is intended to continue the success of other nearby communities in the northeastern portion of the County, including Citrus Pointe, Citrus Isle, Grace Ranch, Hammock Reserve, Forest Lake, Highland Meadows, Lucerne Park, Villa Mar, Orchid Grove, Orchid Terrace and North Ridge Estates. Together, these communities have achieved annual net sales of approximately 390 homes in 2018, 749 homes in 2019, 1,209 homes in 2020 and 1,131 homes in 2021.

The Series 2022 Bonds are being issued to finance a portion of the Capital Improvement Plan, which consists of public infrastructure improvements associated with the 744 units planned for the Development. The Series 2022 Bonds will be secured by the Series 2022 Special Assessments which will initially be levied on the 206.56 acres which comprise the District. As lots are platted, the Series 2022 Special Assessments will be assigned to the 744 lots planned for the Development on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto.

The land in the District is owned by [Atlantic Blue Communities II, LLC], a Florida limited liability company (the "Landowner"). The Landowner will install onsite parcel infrastructure improvements associated with the Development and will sell developed lots to third party homebuilders. See "THE LANDOWNER" herein for more information.

As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated.

Zoning and Permitting

The District Engineer has certified that all permits and approvals for the Development by jurisdictional agencies to allow for the development contemplated herein have been received or are expected to be received in the ordinary course. [Are there any material obligations?] See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: ENGINEER'S REPORT" hereto.

Environmental

Multiple Phase I Environmental Site Assessments were performed from [June 2018 to November 2021] on the District Lands, along with lands outside of the District (collectively, the "ESAs"). The ESAs noted that the subject lands had historically been and portions still were being used as a citrus grove, which use is a recognized environmental condition, and noted that further soil testing may be recommended prior to development. The Landowner expects that any soil contamination that may have resulted from such agricultural use will be remediated during the development process. In addition, the ESAs noted that investigations in surrounding areas indicated the presence of ethylene dibromide ("EDB") in the groundwater and recommended that public water supply be used for drinking water. Potable water for the District will be provided by the City, and the homeowners' association documents will prohibit the installation of on-site wells. Finally, The ESAs further noted the presence of a groundwater well and recommended the capping and closure prior to development. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information.

Utilities

The Town of Lake Hamilton will provide water and sewer service to the Development. Duke Energy will provide electrical service to the Development. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

Taxes, Fees and Assessments

The Series 2022 Bonds are payable from and secured by a pledge of the Series 2022 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2022 Special Assessments levied on the assessed lands within the Development. The Development consists of approximately 206.56 gross acres planned for 744 single-family homes. The District will initially impose the Series 2022 Special Assessments across all of the lands within the Development on an equal per acre basis. As parcels are platted within the Development, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Upon platting of the Development, the Series 2022 Special Assessments levied and allocated to platted units to pay debt service on the Series 2022 Bonds and the Series 2022 Bond par per unit are expected to be as follows:

Product Type	No. of Units	Annual Series 2022 Special Assessments Per Unit*	Series 2022 Bonds Par Debt Per Unit*
Single-Family 40'	264	\$1,450	\$25,074
Single-Family 50'	<u>480</u>	\$1,550	\$25,074
Total	744		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate.

The District anticipates levying assessments to cover its operation and administrative costs that are initially expected not to exceed \$___ per single-family unit annually, but such amounts are subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be \$___ per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2021 was approximately 21.4091 mills for District Lands within the Town and 13.8543 mills for District Lands in the lands within the unincorporated portion of the County. These taxes would be payable in addition to the Series 2022 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2021.

Amenities

The Development will contain an approximately 4,000-acre recreation area containing a pool, pavilion with restrooms, parking area, playground, tot lots and dog park (collectively, the "Amenities"). Construction of the Amenities is expected to commence in the first quarter of 2023 and be completed in the first quarter of 2024, at a cost of approximately \$1.25 million, which is included within the Capital Improvement Plan. The Amenities will be owned and operated by the District upon completion.

Education

School age residents of the Development will attend _____ Elementary School, _____ Middle School and _____ High School which are located approximately ___ miles, ___ miles and ___ miles away from the Development, respectively, and which were rated by the State in [2019] (the most recent

years for which grades are available) as __, __ and __, respectively. The Polk County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is expected to compete with projects in the northeast Polk County market generally, which include Citrus Landing, Citrus Pointe, Citrus Reserve, Forest Lake, Highland Meadows, Orchid Grove, Orchid Terrace and North Ridge Estates. The Development is also expected to compete with communities in the northern City of Winter Haven area, including Watercrest, Lakes at Lucerne, Lake Lucerne, Berkley Ridge, Lakeside Landings, Country Walk, Lake Mariana, Cascara, Lake Mattie and Gum Lake. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Landowner Agreements

The Landowner will enter into a completion agreement that will obligate the Landowner to complete any portions of the Capital Improvement Plan not funded with proceeds of the Series 2022 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Capital Improvement Plan or the Construction of Homes within the Development" herein.

In addition, the Landowner will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowner will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowner, development rights relating to the Capital Improvement Plan and the development of the Development. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2022 Special Assessments as a result of the Landowner's or subsequent Landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Capital Improvement Plan or the development of the Development.

Finally, the Landowner will also enter into True-Up Agreements in connection with their obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in the Development increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowner are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Capital Improvement Plan or the Construction of Homes within the Development" and "THE LANDOWNER" herein for more information regarding the Landowner.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2022 Bonds in order that the interest on the Series 2022 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2022 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2022 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2022 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the Landowner and the District and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2022 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2022 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is further of the opinion that the Series 2022 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their own tax advisors as to the status of interest on the Series 2022 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2022 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Landowner, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2022 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2022 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2022 Bonds, or the ownership or disposition of the Series 2022 Bonds. Prospective purchasers of Series 2022 Bonds should be aware that the ownership of Series 2022 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2022 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2022 Bonds, (iii) the inclusion of the interest on the Series 2022 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2022 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2022 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2022 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt

of certain investment income, including interest on the Series 2022 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2022 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2022 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2022 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2022 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2022 Bonds, or adversely affect the market price or marketability of the Series 2022 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2022 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2022 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2022 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2022 Bonds and proceeds from the sale of Series 2022 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2022 Bonds. This withholding generally applies if the owner of Series 2022 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2022 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2022 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2022 Project funded by the Series 2022 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2022 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2022 Bonds. Investment in the Series 2022 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2022 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2022 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL STATEMENTS

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2022. The District does not have audited financial statements because the District has only recently been established. As of the date hereof, the District does not have any significant assets or liabilities and the District has not previously issued any debt obligations. The Series 2022 Bonds are not general obligation bonds of the District and are payable solely from the Series 2022 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2022 Bonds, or in any way contesting or affecting (i) the validity of the Series 2022 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2022 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Landowner

The Landowner has represented in connection with the Series 2022 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Landowner to complete the development of the District Lands as described herein, materially and adversely affect the ability of the Landowner to pay the Series 2022 Special Assessments imposed against the District Lands or materially and adversely affect the ability of the Landowner to perform its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2022 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2022 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Landowner will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2022 Bondholders (including owners of beneficial interests in such Series 2022 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2022 Bondholders (including owners of beneficial interests in such Series 2022 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint Governmental Management Services – Central Florida, LLC, as the dissemination agent in the Disclosure Agreement.

[The Landowner has not previously entered into any continuing disclosure obligations pursuant to the Rule.] The Landowner anticipates satisfying all disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Tenth Judicial Circuit Court of Florida in and for Polk County, Florida, rendered on January 28, 2022. It shall be a condition precedent to the issuance of the Series 2022 Bonds that the period for appeal of the judgment of such bonds shall have expired with no appeals having being taken.
